

Thank you for taking part in this year's Great Coastal Birdwatch. Use this form to record what you see during your survey and then enter your data using the online form on our website, which you'll also find by scanning the QR code above. Alternatively, scan and email your recording form to info.essex@birdaware.org

Date:	/ /	Location Include post code if possible
Survey length (in minutes)		

We have included a list of some of the most common species you might see around the coast. If you see something else please add it in the 'Other' section. If you want, you can add to our data by letting us know how many of each species you've seen. Note the maximum number of any species you see at any one time.
